# ELEVATE YOUR BRAND

---

## 1. DESIGN AND DEVELOPMENT

### MARKET INSIGHTS

Through the global reach of our organization we explore, research and analyze the world's apparel markets providing real consumer insight informing our innovation and design process.

### GLOBAL TRENDS

Our integrated branding solutions are based on our market insights and analysis of fashion and consumer trends.

### CREATIVE SERVICES

Our creative services teams are experts in creating unique and differentiated ideas that help elevate a brand's consumer appeal and value, visually bringing your brand story to life.

## INTEGRATED BRANDING SOLUTIONS

### PACKAGING SOLUTIONS:

Sustainable packaging  
and Avery Dennison™  
Greenprint

### BRAND EMBELLISHMENTS:

- Heat transfers
- Embroidery and wovens
- Patches

### GRAPHIC TICKETS, TAGS AND LABELS:

- Price tickets, labels and hangtags
- Anti-counterfeit and security labels
- Care and content labels
- Fasteners and accessories

## AVERY DENNISON™ GREENPRINT

We combine life-cycle assessment with creative design to enhance product presentation while reducing your impact on the environment.

Greenprint brings intelligence, creativity and sustainability to fashion – helping you use less while elevating your brand.

# ACCELERATE YOUR PERFORMANCE

## 2. MANUFACTURING

## 3. LOGISTICS

### INVENTORY ACCURACY, VISIBILITY AND LOSS PREVENTION

Improve inventory management and loss prevention through integrated RFID solutions from manufacturing source to consumer that increase speed, accuracy, visibility, productivity and margins.

### PRICE MANAGEMENT

Accelerate performance in price management through DC and store-level solutions that reduce complexity while improving speed and accuracy.

### GLOBAL COMPLIANCE, BRAND PROTECTION AND SECURITY

Providing globally consistent solutions to meet the most demanding compliance requirements through service bureau or in-plant printing. Our security solutions reduce the risk of counterfeiting, diversion and other forms of intellectual property infringement.
